Valbazen 11

Valbazen 11 is a broad-spectrum anthelmintic effective in the removal and control of liver flukes, tapeworms, stomach worms (including 4th stage inhibited larvae of Ostertagia ostertagi), intestinal worms, and lungworms as indicated below.

**Indications:**
- Cattle and sheep: Valbazen is a broad-spectrum anthelmintic effective in the removal and control of liver flukes, tapeworms, stomach worms (including 4th stage inhibited larvae of Ostertagia ostertagi), intestinal worms, and lungworms as indicated below.
- Goats: For the treatment of adult liver flukes in nonlactating goats.

**Dosage and Administration:**
Valbazen Suspension should be administered by mouth to cattle and goats at the recommended rate of 4 mL/100 lb of body weight to be equivalent to 4 mg of albendazole per liter of Valbazen 11.

**For the treatment of adult liver flukes in nonlactating goats:**
- Cattle and sheep: 1 liter of Valbazen 11 should be given orally using any type of standard dosing gun or dose syringe.
- Sheep and Goats must not be slaughtered within 7 days following treatment.
- Cattle must not be slaughtered within 27 days following treatment.

**Precautions:**
- Do not administer the female cattle during from the day of parturition to 30 days after removal of calf.
- Do not administer to sheep or goats during the first 45 days of pregnancy.
- Do not administer to dairy cattle of breeding age.
- Do not use in female dairy cattle of breeding age.

**Contraindications:**
Do not use in female dairy cattle of breeding age.

**Veterinary Use Only:**
For use in Dairy Animals

**Additional Info:**
- Active Ingredient: Albendazole
- Formulation: 36% Suspension
- Indications: Treatment and control of parasitism
- Administration: Oral Suspension for Use in Cattle, Sheep, and Goats for removal and control of parasites
- Dosage and Administration: See Dosage and Administration
- Precautions: See Precautions

**Cattle: Body Weight:**
- 250 lb: 0 mL
- 500 lb: 0 mL
- 750 lb: 0 mL
- 1000 lb: 0 mL
- 1500 lb: 0 mL

**Sheep: Body Weight:**
- 50 lb: 0 mL
- 100 lb: 0 mL
- 200 lb: 0 mL
- 300 lb: 0 mL
- 500 lb: 0 mL
