**Lasalocid**

**Type A Medicated Article**

Net wt 50 LB (22.68 kg)

---

**Caution**

Use and water after handling. Use protective clothing, impervious gloves and a dust mask. Avoid contact with eyes. Operators should wash hands thoroughly with soap after handling.

---

**Mixing Directions**

Active drug and water after handling.

---

**Handling Information**

- NADA 96-298, Approved by FDA.
- Store below 25°C (77°F), excursions permitted to 37°C (99°F).
- Feeding undiluted or mixing errors may result in an excess lasalocid concentration which could be fatal to cattle and other animals.
