

**Animal:** Avoid contact with eyes. If in eyes, flush with water. Do not use on puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, consult a veterinarian immediately.

**Environmental Hazards:** This product is toxic to fish. Do not add directly to water.

#### **DIRECTIONS:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### **To Kill Ear Mites:**

Clean ear with an otic solution. Place a sufficient amount of Mita-Clear into each ear to thoroughly coat the surface of the ear canal. Gently massage the base of the ear. Leave lotion in ear for a few minutes and carefully wipe the excess lotion from the ear with cotton. Do not reapply for seven days.

#### **STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area away from heat and open flame. Do not contaminate water, food or feed by storage or disposal. Do not transfer contents to other containers.

**DISPOSAL:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
