

Congratulations Scholarship Winners

Zoetis and the Association of American Veterinary Medical Colleges Congratulate the 2018 Zoetis Veterinary Student Scholarship Recipients

Zoetis and the Association of American Veterinary Medical Colleges are pleased to announce the 2018 Zoetis Veterinary Student Scholarship recipients. This program offers \$2,000 scholarship opportunities to second- and third-year veterinary students enrolled at colleges of veterinary medicine in the U.S. and Caribbean. The awards are based on the traditional criteria of academic excellence, leadership, and financial need, as well as meeting the ongoing needs of the veterinary profession: diversity, sustainability, and mixed/rural medicine practice. The program was launched to address the issue of student debt and its impact on the future of the veterinary profession, with a focus on food animal medicine.
