

# CERTIFICATION IS AS SIMPLE AS 1-2-3

- 1 To access the Web-based training program, log on to <http://www.proheart6training.com/>
- 2 Fill out the online registration
- 3 Complete the 20-minute Web presentation

After certification, you may place your order for ProHeart® 6 (moxidectin) at any time by calling **Zoetis at 1-888-963-8471.**

The course is optional for veterinarians who have already been certified, although reviewing the revised training module can provide additional details about the label changes.
